- Damage to rear

CARFAX HAS THE MOST ACCIDENT & DAMAGE INFORMATION

Minor damage is usually cosmetic, including dents or scratches to the vehicle body.

09/28/2017	BMW of North America, LLC	Manufacturer Safety recall issued - NHTSA #17V-605 - Recall #17V-605:270 - FRONT PASSENGER SEAT OCCUPANT DETECTION MAT - Status: Remedy Available - Need more information about this recall? Find an authorized BMW dealer , email CustomerRelations@bmwusa.com , or call 1-800-525-7417 - Learn more about this recall
------------	---------------------------	--

Description: This safety recall involves the front passenger seat occupant detection mat. Depending on seat configuration and vehicle geometry, the mat can fatigue during field usage depending on the manner and frequency of the front passenger's entry and exit. Specifically, over time micro-cracks could develop in the side flanks of the mat. If a micro-crack leads to a break of a conductive path, the system will recognize a failure. Consequently, the front passenger air bags with the exception of the head protection system will be deactivated.

In a crash of sufficient severity, the front passenger air bags may not deploy, increasing the risk of injury.

Remedy: BMW will replace the front passenger seat occupant detection sensor mat. Final owner notification letters are being mailed on a staggered basis as parts become available.

Have Questions? Consumers, please visit our Help Center at www.carfax.com. Dealers or Subscribers, please visit our Help Center at www.carfaxonline.com.

**Glossary****Damage Indicator**

Damage can be a result of many different types of events. Examples include contact with objects (other cars, trees, traffic signs, road debris, etc), vandalism, or weather-related events. Not every damage event is reported to CARFAX. As details about the damage event become available, those additional details are added to the CARFAX Vehicle History Report. CARFAX recommends that you have this vehicle inspected by a qualified mechanic.

- This CARFAX Vehicle History Report is based only on information supplied to CARFAX and available as of 11/2/21 at 2:19:35 PM (CDT). Other information about this vehicle, including problems, may not have been reported to CARFAX. Use this report as one important tool, along with a vehicle inspection and test drive, to make a better decision about your next used car.

Damage Severity

Damage events result in one of the following severity levels:

- **Minor:** Generally, minor damage is cosmetic (including dents or scratches), may only require reconditioning, and typically does not compromise a vehicle's operation and/or safety.
- **Moderate:** Moderate damage may affect multiple components of the vehicle and may impair the vehicle's operation and/or safety.
- **Severe:** Severe damage usually affects multiple components of the vehicle and is likely to compromise the vehicle's operation and/or safety.

CARFAX recommends getting a pre-purchase inspection at a certified collision repair facility.

First Owner

When the first owner(s) obtains a title from a Department of Motor Vehicles as proof of ownership.

Manufacturer Recall

Automobile manufacturers issue recall notices to inform owners of car defects that have come to the manufacturer's attention. Recalls also suggest improvements that can be made to improve the safety of a particular vehicle. Most manufacturer recalls can be repaired at no cost to you.

New Owner Reported

When a vehicle is sold to a new owner, the Title must be transferred to the new owner(s) at a Department of Motor Vehicles.

Ownership History

CARFAX defines an owner as an individual or business that possesses and uses a vehicle. Not all title transactions represent changes in ownership. To provide estimated number of owners, CARFAX proprietary technology analyzes all the events in a vehicle history. Estimated ownership is available for vehicles manufactured after 1991 and titled solely in the US including Puerto Rico. Dealers sometimes opt to take ownership of a vehicle and are required to in the following states: Maine, Massachusetts, New Jersey, Ohio, Oklahoma, Pennsylvania and South Dakota. Please consider this as you review a vehicle's estimated ownership history.

Title Issued

A state issues a title to provide a vehicle owner with proof of ownership. Each title has a unique number. Each title or registration record on a CARFAX report does not necessarily indicate a change in ownership. In Canada, a registration and bill of sale are used as proof of ownership.
